The roster limit for a American Association club is 22 players. An additional two players may be on the disabled list during the regular season. Of those 22 players, a maximum of four may be veterans and minimum of four must be rookies. The remaining players will be designated limited service players and of those LS players only six ( ) may be LS 4.

During the pre season, a maximum of 21 players may be under contract at any one time without regard to classification. The 22 active player roster must be met two days before the start of the regular season.

## Definitions

**Year of Service:** A year of service for American Association players is, official at bats or more in a National Association or independent league or leagues, or 3 innings or more pitched in a National Association or independent league or leagues, in any season prior to the present calendar year. For independent and short season rookie league service, the first two years of service equals one National Association year.
